Task Distributed: Tues 30th July 2024

Unit: Health Priorities of Australia, Factors Affecting Performance, Improving Performance, Sport Medicine

Task Type: HSC Trial Examination

Task Weighting: 30%

Outcomes: H1, H2, H3, H4, H5, H7, H8, H9, H10, H11, H12, H14, H15, H16, H17

Task Description

Students are to complete a **3 Hour Half Yearly Examination** (plus 5 minutes reading time) under examination conditions pertaining to Health Priorities in Australia, Factors Affecting Performance, Improving Performance and Sports Medicine.

The structure of the examination is:

Section 1 (60 Marks)

Part A:

20 multiple choice (20 marks)

Allow about 40 minutes for this part

Part B:

Short answer questions (40 marks)

Allow about 1 hour and 10 minutes for this part

Section 2 (40 Marks)

Only attempt the two options studied in class

Allow about 1 hour and 10 minutes for this section

As this is an examination, you will need to prepare for this task by:

- Make summary notes of each topic listed above.
- Regularly complete practice examination questions.
- Seek teacher assistance on unclear work.
- Ensure all set work is up to date.

NESA Glossary of Key Words

Understand the verb associated with the task. The verb will provide an understanding of the detail needed to successfully answer the question.

Check the NESA Glossary of Key Words for further guidance

Details of Submission

Students will need to bring pens. Students are to respond on the examination paper and the booklets provided. Student's name is required to be written on the examination. No paper is to be removed from the examination.

Teacher Feedback

- The task will typically be returned to students within 14 days of the due date.
- At this time feedback including information on how to improve will be provided through information provided on the notification.
- Students can clarify or seek further feedback by speaking with their teacher or the assessment marker.

How does this link to my learning?

- It addresses students' application and involves demonstrating their knowledge and understanding throughout the course.
- Report Outcomes linked to this task include: RO1, RO2, RO3, RO4, RO5

Assessment Procedures

All students should be fully aware of the School Assessment Procedures for their year group. These were provided at the beginning of the school year and are available off the school website under the Learning Tab for each year group.
