

Vocals Tuition Term 1 2025

Variation INFORMATION

Please complete and return the attached consent form to the by the Friday 7 February 2025.

Dear parent/guardian,

We have successfully re-launched a vocal tuition program, providing for small group and solo tuition, led by former GyMEA student Maya Simmons.

Our school funded vocals program will continue into 2025 with over 60 students involved in 2024 through a number of vocal assembles as they build their repertoire of performance pieces.

This additional tuition program is another optional component that provides individualised and small group tuition for those students and families happy to meet tuition costs to further their vocal development.

The program will continue in Term 1 starting week 2. The cost of this program is levied at \$135 per term for weekly tuition sessions (this equates to \$15 per session). Students will be advised of their tuition timeslot once student numbers are confirmed and the organisation is finalised.
