

## Task 4: Yearly Exam

**Due Date:** Term 4 Yearly Examination Block (Week 5)

**Task Distributed:** Monday 27<sup>th</sup> October  
2025

**Unit:** Chemistry and Electricity, Energy & Efficiency

**Task Type:** Examination

**Task Weighting:** 20%

**Outcomes:** SC5-10PW, SC5-11PW, SC5-16CW, SC5-17CW, SC5-4WS, SC5-5WS, SC5-7WS, SC5-8WS and SC5-9WS

### Task Description

This task is an 80-minute examination that will be completed under examination conditions during the yearly examination block. The exam will consist of various knowledge and skills-based questions related to all Semester 2 topics learnt in class (Chemistry and Electricity, Energy & Efficiency).

The examination will include a literacy component and various step by step skills-based questions.

Your examination will consist of three parts:

**Section 1 (20 marks): 20 multiple choice questions worth 1 mark each**

**Section 2 (34 marks): Short Response Questions (marks indicated per question)** which may be based on the following:

- scientific report skills
- analyse, interpret, and predict data
- provide reasoning on scientific investigations
- Drawing atoms
- Characteristics of chemical reactions
- Characteristics of the periodic table
- Ohm's Law
- Series and Parallel Circuits
- Difference between voltmeters and ammeters
- Calculations

**Section 3 (16 marks): Extended Response:** A stimulus-style long response question that will be marked with the literacy rubric (attached). **11 marks** will be allocated to response planning and to content knowledge of the response and **5 marks** as per outlined in the literacy criteria.

*Revision Questions will be uploaded on google classrooms/ Moodle page to support your studying for the examination.*

### NESA Glossary of Key Words

Understand the verb associated with the task. These verbs will provide an understanding of the detail needed to successfully answer the question.

- EXPLAIN: Relate cause and effect; make the relationships between things evident; provide why and/or how.
- IDENTIFY: Recognise and name.
- OUTLINE: Sketch in general terms; indicate the main features of.

- COMPARE and CONTRAST: Show how things are similar and different.
- EVALUATE: Make a judgement based on criteria; determine the value of.

## Details of Submission

For successful completion of this examination, you must bring the following equipment.

- NESA approved calculator
- Blue or black pen
- Pencils and an eraser for graph drawing
- A ruler

Please bring your own equipment as you will not be able to borrow equipment on your examination day.

## Teacher Feedback and Student Self-Reflection

- The task will typically be returned to students within 14 days of the due date.
- At this time feedback including information on how to improve will be provided through mechanisms such as marking criteria, and/or written comments.
- Students can clarify or seek further feedback by the speaker with their teacher or the assessment marker.
- You will also receive feedback on your literacy performance based on the criteria in the school's literacy marking rubric. The marks achieved for literacy will account for between 10% – 20% of the maximum task value.

Upon return of the task, students will also be expected to complete a self-reflection.

## How does this link to my learning?

Learning and integrating the basic science process skills together and gradually developing abilities to design fair tests is increasingly emphasised in successive grade levels and is an expectation of students in senior year.

## Assessment Procedures

All students should be fully aware of the School Assessment Procedures for their year group. These were provided at the beginning of the school year and are available off the school website under the Learning Tab for each year group.

## Tips on how to study.

- Look through your exercise book and write down notes for each topic.
- Use flowcharts or diagrams for complex concepts.
- Organise study groups with friends.
- Highlight the topics you are not familiar with and revise them.
- Ask your teacher to explain any concepts that you do not understand.

## GTHS Literacy Criteria – for extended response question

Literacy Outcomes	Elementary achievement You have:	Limited achievement You have:	Satisfactory achievement You have:	High achievement You have:	Outstanding achievement You have:
<b>Vocabulary</b> <i>Uses technical vocabulary to explain concepts and/or range of precise and appropriate words for effect</i>	Very limited response. Few content words used.	Only simple words are used.	Some precise and technical words are used.	Sustained use of precise and technical words.	Sustained, consistent and fluent use of precise and technical words.
	0	0.25	0.5	0.75	1
<b>Punctuation</b> <i>Use of correct and appropriate sentence and other punctuation for effect, and to aid in reading of the text</i>	No evidence of correct sentence punctuation.	Sentence punctuation is correctly used in at least one place - <i>one sentence is punctuated correctly.</i>	Some correct sentence level punctuation (at least 50%). May attempt other punctuation where it is required.	Mostly correct sentence level punctuation (80%) and at least two correct examples of other punctuation.	Writing contains accurate use of all applicable punctuation.
	0	0.25	0.5	0.75	1
<b>Sentences &amp; Cohesion</b> <i>The intentional construction of a variety of sentences to match purpose and audience, and the control of multiple sentence threads across the whole text.</i>	No clear evidence of sentences: a list of words OR text fragments.	At least one sentence is used correctly. Some meaning can be construed from the text.	Some correct formation of sentences. Mainly uses simple and compound sentences, but may attempt more complex structures.	Most sentences are correct. Range of sentence types and connectives are evident, but with varied effectiveness.	All sentences are correct, effective and controlled, and include a range of sentence types and connectives (complex sentences and other sophisticated structures)
	0	0.25	0.5	0.75	1
<b>Paragraphs</b> <i>Paragraphs are used to effectively structure information and partition events and ideas</i>	No correct use of paragraphing; may be a block of text or random breaks.	Ideas are separated; paragraphs may contain some unrelated ideas.	At least ONE paragraph is well structured and develops an idea	Writing is organised into paragraphs that assist the reader to digest chunks of the text, but may not be linked or executed effectively.	All components of the paragraphs are evident and paragraphing is consistent and well-developed across the whole text.
	0	0.25	0.5	0.75	1
<b>Text Structure</b> <i>Uses features of the appropriate text type</i>	No evidence of the structural features of the appropriate text type. <i>No attempt to write in the appropriate text type and/or response is off task.</i>	Minimal evidence of the structural features - <i>1 component evident</i> - of the appropriate text type.	Some evidence of the structural features - <i>2 components evident</i> - of the appropriate text type.	Substantial evidence of the structural features - <i>all components evident but there may be some lapses</i> - of the appropriate text type.	Coherent and controlled use of <b>all</b> the appropriate structural features of the text type.
	0	0.25	0.5	0.75	1
	Level of response is well below syllabus expectation	Level of response is below syllabus expectation	Level of response is equivalent to syllabus expectation	Level of response is above syllabus expectation	Level of response is well above syllabus expectation
