- 1 x A4 Grid Exercise book 5mm - 128 page
- 1 x Visual Art Diary A4 110gsm - 120 pages
- 1 x 30cm Ruler
- Ballpoint Pens - Blue, Black, Red
- 2B Lead Pencils
- Glue Stick
- Scissors
- Coloured pencils
- Highlighters
- USB Drive 16GB
- Maths Geometry set (Compasses, Protractor, Set Squares)
- 1 x Casio fx-82AU PLUSII or Casio fx-8200AU Calculator

These calculators are NESA approved for use in the HSC. It is of most benefit for our students to purchase as they enter high school so that they become familiar with its use across all of their subjects. Its functionality is taught in Mathematics from the beginning of Year 7 and it will be used in Mathematics assessments from the beginning of Term 1. The easiest and most affordable way to purchase this calculator is from Officeworks. Unfortunately, it is not available through stores such as Big W or Kmart.

Stationery Items – Suppliers

To assist you with the purchase of required stationery items for your child, we have included current pricing from local retailers for items listed. If you cannot find the exact match as listed below, stores will have equivalent options that you can purchase. *

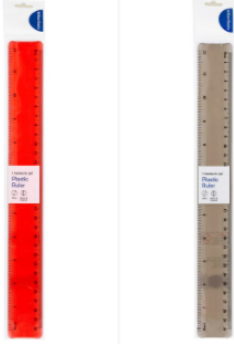

Connect2learn – Personal Digital Devices

Students will be using their devices to access information, access online learning management tools and share their learning. The most beneficial device for learning is a laptop, though tablets and mobile devices do connect to our school network and have beneficial uses for learning. Both PC and Mac laptops connect to the network easily and allow students to readily access learning materials. It is a personal choice for which digital device is purchased based on student/family preferences and budgets. If you would like to double check, you can contact a Deputy Principal to discuss.
