

9 Industrial Technology - Multimedia

Task 1: Skills Folio and Quiz

Due Date: 1 Apr 2026 - Week 10B

Distributed: 3 Mar 2026

Task Type: Folio and Quiz

Unit: Video Production

Syllabus Outcome/s: IND5-4, IND5-5, IND5-8

Task Description

Your brief is to design and create a short film with the cameo item of a “coffee cup”. You need to export the film into an appropriate format and upload the film to the Moodle page. At least ONE of the skills used in Blender, Adobe Premiere Pro and Adobe After Effects must be new (that is, skills that you have not learnt in class).

PART A - Folio

This is the foundation stage for brainstorming of ideas, time and finance plan, research and data gathering, storyboarding, design and mapping.

- **Statement of Intent** – Identifying what is being made and why
- **Development of Ideas** - brainstorming processes behind these decisions (a mind map) and evaluation of why you selected the topic(s) of your digital works
- **Time plan** - estimated and actual time plan with a brief evaluation.
- **Finance plan** - estimated and actual time plan with a brief evaluation.
- **Script** - a script with five questions that will be asked of the actor or producer of the short film
- **Research** – identify **four** different camera angles and movements that could be used in your short film. This should include a brief description and image of the camera angle and an example of where and why you may use this in your short film.

Your literacy skills will also be assessed as part of your folio (see rubric for more details).

PART B - Quiz

Students will be completing an in class quiz on the due date above that assesses their understanding of the theoretical concepts:

- Shooting techniques & angles
- Other practical skills

In preparation for this quiz, students should ensure they've completed all classwork on Moodle, including any homework tasks.

Glossary of Key Words

These verbs will provide an understanding of the detail needed to successfully answer the questions. Some of the verbs typically associated with these questions include:

- **Discuss:** Identify issues and provide points for and/or against
- **Evaluate:** Make a judgement based on criteria; determine the value of
- **Justify:** Support an argument or conclusion

Details of Submission

PART A - Folio

Students need to upload their completed folio to the Moodle by the due date.

PART B - Quiz

Students will have 40 mins to complete this quiz in class on the due date listed. The quiz is comprised of:

- 10 Multiple Choice/Comprehension questions
- no more than 5 Short Answer questions

The quiz will be accessed through Moodle and must be completed in one sitting. Students should attempt all questions and are NOT permitted to bring notes into the classroom.

Teacher Feedback and Student Self-Reflection

The task will be returned to students within **14 days** of the due date. Information on how to improve will be provided through written teacher feedback and the marking criteria. Students can clarify or seek further feedback by speaking with their teacher.

Upon return of the task and teacher feedback, students will also be expected to complete the following self-reflection form, to provide them with the opportunity to reflect on the strength of their performance, as well as areas that have been identified to strengthen in future tasks - <https://forms.gle/s3HD9ueLodeUs2km6>

How does this link to my learning?

This task will allow students to demonstrate their understanding of theoretical concepts, providing students with the opportunity to showcase their knowledge, understanding and skills in

- Demonstrates knowledge and skills in competent use of a variety of software as part of their design projects
- Explaining the functionality and impact of a range of multimedia products

Assessment Procedures

Students should be fully aware of the School Assessment Procedures for their year group. These were provided at the beginning of the school year and are available off the school website under the Learning menu for each year group.
